Enclosure to G.O. 2497-70 dated (1)

(2)

Letter No. 292 dated 5th December 1910 from the Deputy Commissioner, Chitaldrug District, to the Revenue Commissioner in Mysore.

In submitting herewith for approval and submission to Government for publication in the Gazette a declaration statement (both in English and Kanarese) in respect of 6 acres of land to be acquired out of occupied survey No. 52 dry measuring 23 acres and 14 guntas and assessed at Rs2-0-0 of Aimangala village in the Hiriyur Taluk, I have the honor to state that the land in question is required for the encampment of the battery on its march to and from Bangalore. This land, besides being on a high level, contains trees that afford shelter to the travellers and is reported to be the only available place fit for the intended purpose. In the list submitted to Government from this office in 1895, a portion of the same land (old survey No. 82 - Resurvey No. 52) was proposed to be set apart for camping ground. But it was not duly acquired and the assessment thereon written off the accounts. The land has, therefore, been under cultivation till now and on former occasions the battery is reported to have encamped not in this number alone but wherever it was found convenient to do so. For the last 10 or 12 years it is stated to encamp in No. 41 and in the compound of the old Travellers' Bungalow as well as under the trees (avenue trees).

2. If the battery should encamp at the time when the crop is standing on the fields, the same will have to be removed to the prejudice of the Khatedars, for which they will claim compensation. Six acres of survey No. 52 are therefore proposed to be acquired and set apart especially as camping ground, the extent noted in Government Proceedings No. 8427-9/R.F.2-98 dated 28th May 1900 being quite insufficient for the purpose.

3. I have seen the land in question and it is well-suited for the purpose.

S I R,

With reference to your letter No.3.5901 dated 4th May 1912, enquiring whether the acquisition of certain lands in the Nigamangala village of the Hiriyur Taluk for camping ground has been effected and lands set apart for the purpose, I have the honor to state that as already reported, the Assistant Commissioner, Chitaldrug Sub-Division heard the parties on 6th September 1911 and has enclosed in the Vernacular records on the subject statements obtained from them. The khatedar of the land in question and also the hissedar or sharer refuse to receive money compensation and pray for the grant of Gomal Survey No. 301 of the village measuring 17 acres, 31 guntas. The villagers state that they have no objection to the grant for cultivation of the gomal land in question.

2 But as it is reported that there are 1643 cattle in the village and as the remaining extent of gomal land viz 76 acres, 26 guntas is far less than ¼ of the occupied area measuring 8236 acres 24 guntas, and as it is not clear what the villagers have been doing for the grazing of their cattle, a further report has been called for from the Amildar of the Hiriyur Taluk.
